TO THE LOVERS OF SACRED MUSIC,

PARTICULARLY TO THE CHOIRS OF

CATHEDRALS, PAROCHIAL CHURCHES, &c.

In Great Britain, Ireland, and Wales.

The late Dr. CROFT very juſtly obſerves in his Preface to his Anthems, the Reaſons for the Preference given to Score rather than ſingle Parts, for the uſe of Performers: "What an improving Advantage it is at one View to ſee the Diſpoſi-"tions of the Parts, and how they depend one upon another, to obſerve the Beauty "of the Compoſure, and to know, upon the ſlighteſt View, the Point where every "Part takes Place, either in obſerving the Pauſes or Reſts; and it is very obvious "that this Method of publiſhing Muſic cannot but be the moſt acceptable, as the "Imperfection of any Piece cannot be diſcovered ſo ſoon, if the Parts be kept "ſeparate."
